

Drive more participation for your next online enrollment

WITH A LITTLE MAGIC AND INTUITIVE TECHNOLOGY

Create an employee-centric experience with highly personalized texts and a bespoke mobile app and watch engagement soar.

INTUITIVE TEXT MESSAGING

Inspire employees to take action

Elevate the conversation with automated and highly personalized SMS messages that go above and beyond the "insert-name-here" texts of the past.

- Customized and timely messaging
- Targeted follow up based on employee response
- Multiple languages available

CUSTOM-BRANDED MOBILE APP

Put the power directly in the employee's hands

Make it easy for employees to enroll for benefits online and access the information they need to make informed decisions about their healthcare.

- Customized app branding and content
- Self service enrollment for employees
- No login or password required

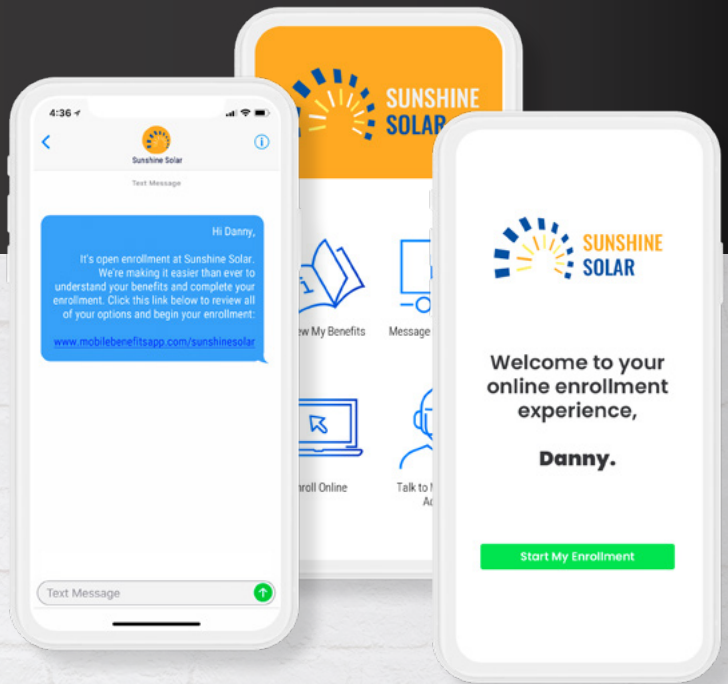

- Increase participation in all lines of coverage
- Save Human Resources countless hours
- Reduce headaches and procrastination
- Personalize the experience for every employee
